

# To Know Our Wishes For 2010

1. Turn up your volume
2. Go to [www.souslesetoiles.net/2010](http://www.souslesetoiles.net/2010)
3. Click “Allow” to turn on your webcam
4. Hold the marker up so that all of it is on screen.
5. Enjoy our “best wishes for 2010”!

Note: if your camera doesn't turn on you will be presented with a “flash settings” window, click to select your webcam from the drop-down list. A common choice in this case would be “USB Video Class Video”.
